

A Christ Church Wedding...

Concerning the Service

Christian marriage is a solemn and public covenant between a man and a woman in the presence of God. In the Episcopal Church it is required that one, at least, of the parties must be a baptized Christian; that the ceremony be attested by at least two witnesses; and that the marriage conform to the laws of the State and the canons of this Church.

A priest or a bishop normally presides at the Celebration and Blessing of a Marriage, because such ministers alone have the function of pronouncing the nuptial blessing and of celebrating the Holy Eucharist.

When both a bishop and a priest are present and officiating, the bishop should pronounce the blessing and preside at the Eucharist.

...is a very special event for special people – you!

This booklet will assist you in planning your Christ Church Wedding. Please read all of it – it's very brief yet should answer many of your questions. While there are few firm rules pertaining to a wedding in this church, there are some. We ask everyone involved in the wedding to abide by these rules. The Episcopal Church and this parish have formulated them through many years' experience – to maintain the dignity that all Sacraments deserve. By familiarizing yourself with all that this church has to offer, you will have a wedding that will be sacred, happy, and memorable.

...begins with careful planning

In the past, church policy dictated that the church be contacted before any other arrangements were made. Most couples find, however, that they must reserve their reception site months, even years, in advance. Christ Church recognizes this need and recommends that you contact the church office at your earliest convenience. It's always possible that another couple may have already claimed the date and/or time you want. We want to resolve any conflicts to everyone's satisfaction.

Be clear with the officiating clergy exactly what type of ceremony and any special features you want: a simple wedding or a Nuptial Mass (including the celebration of Holy Communion); music, including soloists and instruments; a wedding (or unity) candle; etc.

...requires a marriage (or a civil-union) license

Apply for your license at the Board of Health in the bride's town of residence. Your license will be valid for 30 days following issuance. There's a 72-hour waiting period between the time of application and issuance of the license.

A relative or friend of legal age, who knows both of you well, is required to accompany you – to serve as a witness. If you cannot apply together, the same witness must accompany each of you individually. For instance, if one is in the military or lives at some distance, the other may begin the application process with the common witness, to start the 72-hour period.

If the groom is under 21 (but at least 18) or the bride is under 18 (but at least 16), you must also bring with you a consent form signed by both parents of the person who is under-age and two witnesses who all appear together before a Notary Public or an attorney.

After your wedding, the officiating clergy will complete the document and deliver it to the Registrar of Pompton Lakes Borough. If you wish a copy of your certified license, contact the Registrar (973-616-5910) for a request form and pay the required fee to the Borough. You will undoubtedly want to keep a certified copy of this document with your valuable papers.

It's advisable to deliver your license at the rehearsal. At the rehearsal, the wedding party – normally the bride, groom, maid/matron of honor, and best man – all sign it and the parish marriage register.

...may require the consent of the bishop

If either or both of you have been married previously, consent of the bishop is required. Please provide the clergy a copy of any divorce decree(s).

...is highlighted by music

Music, like the ceremony itself, is an act of worship of God. Plan to meet in person with the organist at least six weeks prior to your wedding date to arrange all music matters. A list of suggested music is included later in this booklet.

Other contemporary music is permissible. If you prefer another organist, this decision requires the approval of the clergy. Vocalists and other musicians are also welcome, however payment of a guest organist, vocalists, and other musicians will be entirely your responsibility.

Matthew 5:13-16 – “You are the light...Let your light so shine”

Matthew 7:21 & 24-29 – “Like the wise one who built the house upon a rock”

Mark 10:6-9 & 13-16 – “They are no longer two but one”

John 15:9-12 – “Love one another as I have loved you”

*Readings may be chosen from any of the above passages.
If the wedding includes the Holy Communion, clergy will read
a selection from one of the Gospels.*

Readings may also be used from other sources, such as poetry.

...is graced by flowers and candles

Christ Church Pompton offers a beautiful sanctuary that seats 175 adults comfortably. Usually two vases of flowers are sufficient to “dress the Altar,” which the Altar Guild Flower Chairperson will order. The wedding bouquets become the property of the church, for delivery to shut-ins, unless alternate arrangements are made with the clergy at least two weeks in advance.

We recommend that you coordinate all other floral needs at Pompton Lakes Florist at 288 Wanaque Avenue (973-835-0192). That way, you assure safe and timely delivery of everything to the church.

The Altar Guild will place white bows on the ends of the first three pews to reserve them for family members. If you want more than the normal six, additional pew bows are available at \$16 per pair.

A Flower Girl may precede the bride in the procession. If you want her to scatter petals in the aisle, please remove them after the conclusion of the service.

You may arrange a candlelight wedding – for a service that begins after sundown. The Altar Guild will place candelabra stanchions with candles on the ends of the pews in the center aisle, for an additional donation of \$100.

...involves Ushers

Ushers – as well as the Groom and Best Man – should be at the church at least one-half hour before the time set for your wedding. Ushers represent both families and should be ready to greet everyone, including early arrivals. Ushers need to ask every woman they do not know: “Friend of the bride?” or “Friend of the groom?” The Usher then offers his **left** arm to a friend of the bride and escorts her to a pew on the left, as far forward as possible. The lady’s escort follows them down the aisle. Ushers offer their **right** arm to friends of the groom and seat them on the right.

Ushers, please do not seat any guests in the front pew on either side – these seats are reserved for the parents of the couple. Grandparents, children, or other close relatives attending the wedding are seated in the second and third (reserved) pews.

Approximately one minute before the ceremony begins, a designated Usher seats the Mother of the Groom, followed by the Father of the Groom in the front pew on the right. The last person seated before the ceremony begins is the Mother of the Bride, who sits in the front pew on the left. (In the case of divorced parents, the mother is seated in the first pew of the appropriate side, and the father is seated in the third pew.)

Please do not throw bird seed inside the church building as it may cause injury from people slipping and falling.

...needs to be rehearsed

A wedding rehearsal is encouraged, except for a private, intimate ceremony.

...involves donations

The first is for the Altar Guild: \$200, payable to Christ Church Altar Guild – to cover the candles and two wedding bouquets on the Altar, six bows for the family pews, and all preparation for the ceremony and Holy Communion, if your wedding includes this Sacrament. For a candlelight ceremony, there is an additional donation of \$100. And additional pew bows can be ordered for \$16 per pair.

There is no charge for the use of the church by members and their families. Non-members of Christ Church are expected to donate an additional \$500 for the use of the building and to defray normal operating expenses. You will need to prepare a separate check, payable to Christ Church, if you or your spouse-to-be are not members of the parish.

If you wish the service of the Church Organist, she will need a check of \$200, payable to her, unless she is needed to rehearse with other musicians, for which additional fees will apply.

These donations do not include an honorarium for officiating clergy. An appropriate honorarium for the officiant is \$600.

Plan to hand all checks to the officiating clergy – who will distribute them as appropriate – at the rehearsal.

A customized and personalized service bulletin can be crafted and printed for the wedding ceremony. Details can be discussed with the designer by calling Graphic Innovations at 973-616-0309 during regular business hours.
